his granddad

They both loved the Hawks and the fact that Mike had played for them made him a hero in his grandson's eyes. And everyone said that, had it not been for the knee injury, Mike could have gone on to become one of the best players in the club's history.

Jamie walked through the park to his granddad's house? Just to give us some sense of location / how had he got there? Was his own house / school?

'We all make mistakes, JJ,' he said when Jamie told him what had happened.

'The important thing is that you have the confidence to step up and take the next pen when it comes along.'

Add something about family history maybe? Is Mike his dad's Dad or Karen's dad? Does Mike take Jamie to see the Hawks now his dad has gone?
